ARE YOU LOOKING FOR A JUNIOR FRONT-END DEV?

SKILLS

coding:

HTML (advanced), CSS (advanced), JavaScript (advanced),
C# (beginner), Java (beginner), TypeScript (beginner)

design:

Adobe Photoshop (expert), Adobe Illustrator (proficient),
3Ds Max (competent), Zbrush (competent), SketchUp (beginner)

What I lack on experience I compensate with passion
and diligence. I love learning new things more than anything.
